CIRCULAR

NAHEP-CAAST-VNMKV centre is established in VNMKV campus for three years starting from 2019-20 to 2022-23. The project is proposed on 50:50 cost sharing basis between the World Bank and the Government of India, implemented at VNMKV. Overall, the project aims to establish an advanced basic engineering hardware and software setup such as Mechatronics, CAD/CAM/CAE, 3-D Printers and Instrumentation Laboratories for Agribots, Agri-drones and Agri-AGVs., so that a holistic model can be developed to raise the standard of current agricultural education system that provides more jobs and is entrepreneurship oriented and on par with the global agriculture education standards. NAHEP-CAAST-VNMKV is now embarking upon an ambitious step in further strengthening the digital farming solutions for enhancing productivity by robots, drones, and AGV's; with financial assistance of the World Bank and ICAR investing on infrastructure, competency and commitment of faculty, and attracting talented students to agriculture.

All faculty members of VNMKV are herewith informed that the NAHEP CAAST DFSRDA centre has been established near Vaidyanath PG hostel for PG/Ph.D students and VNMKV faculty from all disciplines to participate for their research activities in digital technologies.

There are 21 core team members are working since inception of project. However, more faculties of VNMKV are to be selected as "Associate Team Member" for portfolio wise research activities and events to be conducted through NAHEP CAAST DFSRDA, VNMKV, Parbhani centre. Therefore, it is informed to all faculty members to submit their application along with latest biodata to Principal Investigator, NAHEP CAAST, VNMKV, Parbhani through proper channel for becoming part of this prestigious project. You can visit project website:<https://nahep.vnmkv.org.in/> for more details.
