**Organized by**

**Centre of Excellence : Digital Farming Solutions for  
Enhancing Productivity by Robots, Drones and  
AGV's (DFSRDA)  
Vasant Rao Naik Marathwada Krishi Vidyapeeth,  
Parbhani- 431 402 (M.S.) INDIA**

## About University

Vasantrao Naik Marathwada Krishi Vidyapeeth is established in 1972 on the basis of land grant pattern at Parbhani to fulfill the regional aspirations of fields, undertake research and facilitate technology transfer in marathwada region of Maharashtra.

Vasantrao Naik Marathwada Krishi Vidyapeeth (VNMKV) Parbhani, is one of the prestigious agricultural universities in India. Since its inception, it has gained recognition as an innovative organization in the term of education and research in agriculture. It takes care of research and facilitates agriculture technology transfer in marathwada region.

## About Project

The Centre of Excellence for Digital Farming Solutions for Enhancing Productivity by Robots, Drones and AGVs (DRSRDA) Under Center for Advanced Agriculture and Technology (CAAST) is being implemented in Vasantrao Naik Marathwada Krishi Vidyapeeth, Parbhani, Maharashtra Sponsored by National Agriculture Education Project (NAHEP) of Indian Council of Agricultural Research (ICAR), New Delhi and World bank, Government of India since 2019.

The main objective of this center is to upgrade the skill of PG /Ph.D students and faculties about advance in agriculture science and technology. Facilities available in the NAHEP is hardware and software setup, Mechatronics, CAD/CAM/CAE, 3D Printers and Instrumentation Laboratories for Agribots, Agi-Drones and Agri-AGVs to raise the standard of current agricultural education system. Till now conducted 24 national /international training programs and 11 webinars are conducted by this centre.

Total 11,174 beneficiaries are gets benefitted through these training programmes.

As a part of this project, it is proposed to organize three days training on “Gender Equality and Challenges” under Equity Action Plan for PG/Ph.D. students and faculties of VNMKV, Parbhani during 04-06 July, 2023.

## Training Background

Gender equality is not only a fundamental human right, but a necessary foundation for a peaceful, prosperous and sustainable world.

In Indian context if we see, society often treats boys and girls differently, although gender inequalities with education have changed much in recent decades.

It is essential to end all forms of discrimination, violence against all women and girls everywhere in the public and private spheres, including trafficking, sexual and other types of exploitation, child marriage and female genital mutilation. Thus insurance of womens’ full and effective participation and equal opportunities for leadership at all levels of decision making in political, economic and public life is essential.

Reforms to give women equal rights to economic resources, as well as access to ownership and control over land and other forms of property, financial services, inheritance and natural resources, in accordance with national laws are need to be made so as to enhance the use of enabling technology, in particular information and communications technology, to promote the empowerment of women.

Gender education is the key to gender equality and the importance of gender equity in education system in order to create a better environment for girls/womens under traditional pressures.

Therefore this training is being organized with following objectives.

## Objectives

1. To Impart the knowledge and create awareness about gender equality and main streaming.
2. To create gender bais free educational and institutional environment.
3. To understand and achieve gender equality and empower females

## Contents

The major areas covered under Gender Equality and Challenges training are

- Gender sensitivity towards woman
- Gender mainstreaming in agriculture
- Causes of gender inequality and role in its eradication
- Gender competence among agricultural students
- Child marriage and other social spheres of discrimination
- Violence, laws and policies to mitigate inequalities
- Women rights, employment and their empowerment.
- Achievement of sustainable development goals through gender equality.

## Target Audience:

PG, Ph.D. students, faculties, scientists of Vasantrao Naik Marathwada Krishi Vidyapeeth, Parbhani are eligible to register the said training programme.
